

GOLD STANDARD STAKEHOLDER FEEDBACK ROUND FOR PROJECT GAIA COOK STOVES PROGRAMME OF ACTIVITIES CPA0003- ETHIOPIA

Project Gaia Inc. in conjunction with Carbon Africa Limited would like to invite input from all stakeholders for the Gold Standard Stakeholder Feedback Round for Project Gaia Cook Stove Programme of Activities (PoA) CPA0003 in Ethiopia. The CPA will focus on the distribution of energy efficient cook stoves powered by ethanol from renewable sources. The ethanol stoves will be distributed in households within refugee camps in Ethiopia. The PoA is being implemented by Project Gaia Inc. as the Coordinating/Managing Entity while Carbon Africa is the carbon consultant.

Electronic copies of these documents are also available on the Project Gaia website at <https://projectgaia.com/> and on the Carbon Africa Limited website at www.carbonafrica.co.ke
