## SECTION F.

### DESCRIPTION OF THE DESIGN OF THE STAKEHOLDER FEEDBACK ROUND

Once the LSC report has been submitted to the GS registry, copies of these documents will be made publicly available on the website of the carbon consultant ([www.carbonafrica.co.ke](http://www.carbonafrica.co.ke)) and on Project Gaia website ([www.projectgaia.com](http://www.projectgaia.com)) and also made publicly accessible in the GS registry. All stakeholders invited to the LSC as well as relevant GS supporters will be informed via email and or telephone. Copies of these documents will also be made available upon request from the project developer.

Upon receipt of further questions or clarifications of how stakeholder comments were taken into consideration, an appropriate response will be provided. Should any of the comments require revision of the GS documentation, this will be done prior to end of validation of the project.
