INDEPENDENT ACCOUNTANTS' REVIEW REPORT

Board of Directors
Project Gaia, Inc.
Gettysburg, Pennsylvania

We have reviewed the accompanying financial statements of the Project Gaia, Inc. (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets-modified cash basis as of December 31, 2018, and the related statement of support, revenues, expenses and changes in net assets modified cash basis for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the modified cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the modified cash basis of accounting.

PROJECT GAIA, INC.
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2018

NOTE 1 – ORGANIZATION

Nature of Organization – Project Gaia, Inc., was incorporated February 26, 2007 under the Nonprofit Corporation Laws of the Commonwealth of Pennsylvania. Project Gaia, Inc. is supported through donor contributions. It is seeking grant funding to extend its activities.

Project Gaia is part of a global initiative for the development of clean cooking fuels. It seeks to establish and promote the use of alcohol fuels for household energy for all who have limited access to clean energy, including disadvantaged and marginalized peoples who suffer the added burden of being energy poor. Project Gaia seeks to raise awareness of the safety, health, economic and environmental benefits of alcohol fuels; share insights and resources with government and private organizations working in related endeavors; initiate or assist with demonstration projects that show the viability of alcohol as a household fuel; build on this experience to encourage locally managed commercialization of alcohol fuels and appliances; and reduce carbon emissions, thereby facilitating access to carbon finance to support low-income communities.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under that basis, revenues are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligations are incurred except for payroll tax liabilities. The financial statements do not include a provision for donated materials and services.

Basis of Presentation – The financial statements of Project Gaia, Inc. have been prepared on the modified cash basis of accounting, which require Project Gaia, Inc. to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Project Gaia, Inc. These net assets may be used at the discretion of Project Gaia, Inc.'s management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Project Gaia, Inc. or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Income Taxes – Project Gaia, Inc., a non-profit organization operating under Section 501(c)(3) of the Internal Revenue Code, is exempt from federal, state, and local income taxes (except with respect to unrelated business income) and, accordingly, no provision for income taxes is included in the financial statements.

PROJECT GAIA, INC.
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2018

Use of Estimates - The preparation of financial statements in conformity with a comprehensive basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents - The Organization considers all highly liquid investments with a maturity of twelve months or less when purchased to be cash equivalents. This includes checking accounts, certificates of deposit, money market funds and similar short-term investments.

Measure of Operations – The statement of Support reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to Project Gaia, Inc.’s ongoing services and interest and dividends earned on investments. Nonoperating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

Functional Expense Allocation - The costs of providing the program and other activities have been summarized on a functional basis in the statement of activities and changes in net assets, which includes all expenses incurred for the year. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

<u>Expenses</u>	<u>Method of Allocation</u>
Salaries and Wages	Time and effort
Payroll Taxes	Time and effort

Date of Management’s Review - Subsequent events have been evaluated through November 6, 2019, which is the date of the financial statements were available to be issued. Project Gaia, Inc. is not aware of any material subsequent events.

New Accounting Pronouncement – On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The SPCA has adjusted the presentation of these statements accordingly.

NOTE 3 PAYMENTS TO AFFILIATES

In March of 2011, Project Gaia, Inc. entered into a partnership agreement with Gaia Association to help promote the use of ethanol fuel and ethanol stoves for household use in Ethiopia. Gaia Association is an Ethiopian registered charity established in 2005 to revolutionize household energy in Ethiopia through the introduction of ethanol and ethanol cook stoves for household use. For the year ended December 31, 2018, Project Gaia, Inc. expensed \$141,699 to this organization.
